DATE MAILED:

Please find below a communication from the EXAMINER in charge of this application

Commissioner of Patents

The communication filed on 8/26/02 (Paper No. 20) is not fully responsive to the communication mailed 8/13/02 (Paper No. 19) for the following reason: the claims have not been amended properly under 37 C.F.R. 1.121(c)(1)(ii), i.e., the marked up copy must show all the changes that have been made to the claims. With regard to the amendment of claim 14, the marked up version indicates "claim 11" in line 1, whereas the original claim 14 recites "claim 12" in line 1. With regard to the amendment of claim 23, the marked up version indicates "lipid" in line 2, whereas the original claim 23 recites "lipid" in line 2.

Since the response appears to be bona fide, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to Examiner **Mariann DiBrino**, Art Unit 1644, whose telephone number is **703-308-0061**.

Any inquiry of a general nature or relating to the status of this application should be directed to the Technology Center receptionist whose telephone number is (703) 308-0196.

Marianne DiBrino, Ph.D.
